REBUILDING EUROPE'S FUTURE UK IN OR OUT?

“Rebuilding Europe’s Future – UK IN or OUT?” will be held in the Hilton London Euston on Wednesday, 15th June 2016 from 6:30pm to 9:00pm. Rita Payne, President Emeritus of the Commonwealth Journalists Association will be the Chair of the event.

This event will give high profile speakers from both sides of the debate an opportunity to make their case for whether the UK is better off staying in or leaving the EU.

At present Europe is in crisis with rising inequality, refugees, and increasing terrorism on European soil. Uniting for Peace’s latest campaign Europe for Peace highlights the dangers to peace and stability that a disintegrating EU would present. We invite our distinguished speakers to give their arguments on what is best for the UK and Europe in this climate of fear and uncertainty.
